

All Elephants Can Grumble! - Teachers

If you're accompanying your class learning this beginner piece and would like an extra challenge...!?

- These are the chords that are played while the picking of the individual strings are performed.
- Try playing them at the same time as your class plays the part above. **Play them once every 4 beats**
- Watch out for the 'G' chord - it's a little tough!
- Take careful note of the fingering numbers to use, they will help!
