## Away in a Manger

**F**            **F**            **F**            **C7**  
Away in a manger, No crib for a bed,  
**C7**            **F**            **Gm**            **C**  
The little Lord Jesus, Lay down his sweet head.  
**F**            **F**            **F**            **C7**  
The stars in the bright sky, Looked down where he lay  
**C7**            **F**            **Gm**            **C F**  
The little Lord Jesus, A-sleep on the hay.

**F**            **F**            **F**            **C7**  
The cattle are lowing, The baby a-wakes;  
**C7**            **F**            **Gm**            **C**  
But little Lord Jesus, No crying he makes.  
**F**            **F**            **F**            **C7**  
I love thee, Lord Jesus, Look down from the sky,  
**C7**            **F**            **Gm**            **C F**  
And stay by my bedside, 'Til morning is Nigh.

**F**            **F**            **F**            **C7**  
Be near me Lord Jesus, I ask thee to stay,  
**C7**            **F**            **Gm**            **C**  
Close by me for ever, And love me I pray.  
**F**            **F**            **F**            **C7**  
Bless all the dear children, In thy tender care,  
**C7**            **F**            **Gm**            **C F**  
And fit us for heaven, To live with thee there.
