### 'Use Somebody' by The Kings of Leon

- There are four main sections to this well known rock song;
    - Verse
    - Chorus
    - Middle 8
    - Outro
- Let's learn them one at a time, with different groups in the class taking responsibility for different parts of the arrangement...

The Verse

C5   C   F   Am

C5 . . . | C . . . | F . . . | . . . . :|| x2
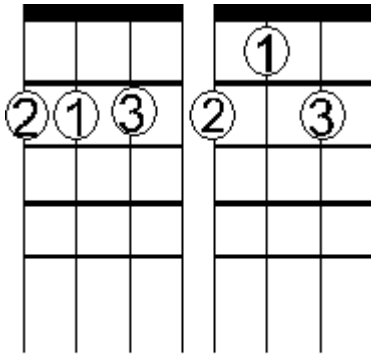

Am . . . | C . . . | F . . . | . . . . :|| x2

(Play this entire section twice through for the first verse, once through for the second and last verse)

The Chorus

- Listen carefully to the drums, they will give us the 1___2___3 |1___2___3 |*etc* 'feel' we need.
- We are going to play three strums - 2 longer strums and one short strum
- Apart from our three strum pattern, the chords are *exactly* the same as the verse! Bargain!

(Play the verse chord progression through once for the Chorus. Remember those three strums!)

The Middle 8

D   F#m

- The fingering is a little unusual - but it means that you only need to change one finger (the 'first') to change chord! Bargain again!
- Also, we're using the same 1___2___3 |1___2___3 |*etc* strumming pattern as in the chorus.

-

The chord progression is;

D__D__D | D__D__D | F#m__F#m__F#m | F#m__F#m__F#m|

D__D__D | D__D__D | F#m__F#m__F#m | F#m § § §|

Then;

C5__C5__C5 | C__C__C | F__F__F | F__F__F | x4

C5__C5__C5 | C__C__C | F . . . | . . . . |

To finish;

C5 . . . | C . . . | F . . . | . . . . ||
